**Responsible management of resources**

Ecotrel is a state-approved organization that endorses the obligations of producers and importers of electrical and electronic equipments (EEE).

Learn more by scrolling down

**Ecotrel and the circular economy**

Ecotrel aims to integrate the concept of extended producer responsibility into that of the circular economy. The notion of resources is thus highlighted. Ecotrel deals with devices at the end of their life cycle and tries to extend this life cycle of products by
