ARTICLE 1: Definitions.

The definitions are modified as follows:

"Waste Electrical and Electronic Equipment (WEEE)": The Electric and Electronic Equipment that, according to article 4 of the modified law of March 21, 2012 about waste management, qualifies as waste including all components, sub-assemblies and consumables that were integral part of the product at the time of disposal.

"Electrical and Electronic Equipment (EEE)": New electrical and electronic equipment or those prepared for reuse in accordance with article 6 of the June 9, 2022 law or those issued from WEEE prepared for reuse which are mentioned in the list in appendix 1. This list may be revised annually by Ecotrel.

"Put/place on the market": The act by which Value Added Tax is payable for the first time in the territory (of the Grand-Duchy of Luxembourg) or the first making available on the market in the case of EEEs prepared for re-use in accordance with article 6 of the June 9, 2022 law, or those issued from WEEE prepared for re-use.

ARTICLE 2: Subject matter of the agreement.

The Co-contractor agrees to accede for all new EEEs or those prepared for re-use or those issued from WEEE prepared for re-use that it places on the Luxembourg market and covered by the law of June 9, 2022 to the WEEE management and processing system established by Ecotrel. The Co-contractor agrees to pay the recycling fee agreed to below, in order to enable Ecotrel to carry out its function.

By its adhesion, the Co-contractor entrusts to Ecotrel, which accepts, the execution of the Trade-in bond for which it is responsible under the terms of the law of June 9, 2022, and commissions Ecotrel to undertake all the actions necessary for the execution of the Trade-in bond, together with any other obligations for which it is liable as Producer or Importer in the context of the law of June 9, 2022.
